Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Airway Heights West Plains Connection in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Airway Heights and the project is located at 1208 S. Lundstrom, Airway Heights, WA 99001.

The funding is designated for the West Plains 6th Ave, 10th Ave, and 12th Ave Multimodal Corridor project that would develop an alternative travel route for local commuters wishing to avoid congested U.S. Route 2.

The project is an appropriate use of taxpayer dollars and is anticipated to benefit the West Plains Region of Spokane County with the safety, mobility, alternate transportation and economic development to the cities of Airway Heights and Spokane through providing an alternative travel route for local commuters by diverting traffic off the State Hwy 2.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Cathy McMorris Rodgers
Member of Congress
